AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This amendment is submitted in response to a non-final office action in the above case dated March 25, 2005 in which the Examiner rejected all the claims as anticipated (35 U.S.C. §103) and obvious (35 U.S.C. §103) over cited art. On June 7th, the attorney for Applicants and the Examiners held a phone interview described in an Interview Summary submitted by the Examiner dated June 10, 2005. During the interview, the Examiner indicated that the discussed amendments would likely distinguish over the cited art. Applicants amended the independent and other claims as discussed and agreed upon to distinguish over the cited, and canceled claims 18, 30, and 50. Applicants submit that all pending claims 1-17, 19-29, 31-49, 51, and 52 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.

Remarks/Arguments begin on page 14.
